of an invaluable service in impurer-of crims by giving warie publicity to the drive started two weeks ago. Burglar Chokes Woman, 62; Outery Brings Police

Been in the Hands of the Law Before Miss Mary Euckley, sixty-two years old, who lives alone on the top floor of the work of the west forty-sixth Street, was acaked by the sound of a window being opered titches. A man had just climbed over the first being the screamed. The man had just climbed over the first being to greate the first being the first and tried to the first to free herself.

The tenants in the house were the floor of the man had been some one blew along whistle. The man heard hand

the time tenants were leaning for the floor windows calling for the floor, william A. Lynch, of the windows eventh Street police station, recorded as he can up a man who he

saired as he ran up a man who, he saired as he ran up a man who, he said the court, had been arrested better Lynch took him upstairs and the Buckley identified him as the one who had entered her apartment.

Tennach, twenty-four years old, a man described himself as John Lennach, twenty-four years old, a managener of 645 Tenth Avenue.

Tennach was arraigned in West Side Court as a charge of burglary and assemble. charge of burglary and assault was held in \$5,000 bail for example on Touchay.
